Thank you for watching today's recital with Michael & Maksim - a huge thanks to the owners of the Clock Tower Room at St Pancras.

CMF's mission is 'turning talent into success'. We select exceptional professional musicians at the start of their careers, when managing 'the business of music' can be a challenge, and support them with a comprehensive career development programme. We arrange mentoring, run workshops, do agency and management, make CDs, videos and websites, commission new music, secure airtime on BBC Radio 3 and promotion through online, print and social media, and put on our own recitals and concerts and some one-off projects.

CMF Alumni tell us of the many ways CMF has helped them during the very fragile early stages of their professional careers. Getting the necessary visibility, and developing networks, gaining recognition in the industry, having recordings – all this has allowed them to secure their careers as performers. Our aim is that CMF artists are ready for four decades or more of contributing to society's culture and wellbeing – reaching hundreds of thousands through live performance, CDs, streaming, broadcast, teaching and mentoring - giving back a thousand fold what CMF has given them.

If you'd like to support our work with Michael, Maksim and the other CMF artists, please give generously by donating online or by cheque
